## PORT STEPHENS VETERANS NETWORK ANNUAL REPORT 2016

Please find enclosed the 2016 annual report of the Port Stephens Veterans Network (PSVN). The report tells the story of another successful year in supporting the advocates, pension and welfare officers of participating ex-service organisations (ESO) who have provided a prodigious service to our servicemen and women, veterans and their families. None of this would have been possible without the consistent support of our local RSL, Soldier On and Legacy participants. Thank you.

In particular, I would like to express my appreciation to the following;

- Port Stephens Veterans and Citizens Aged Care Limited for their endless support in many areas, but especially for the provision of office facilities at Tanilba Bay on Wednesdays of each week.
- To Newcastle Legacy Incorporated as our sponsor organization.
- To Port Stephens Legacy Group for their close support, especially the underwriting of funding as PSVN awaits the outcome of BEST grant applications.
- To Sydney Legacy and State RSL pension staff who provide advice and great quality control support.
- To the Department of Veterans Affairs whose funding support makes it all possible.

Thank you for your attention to this report and should you require further information or clarification please contact me.

Kind Regards

**James Horton OAM**
